

Updates for your travel planning to Mount TITLIS in 2026

Dear Partners

2026 is an exciting year for TITLIS, and we are pleased to share several updates to support your travel planning for the upcoming season. Below you will find an overview of key changes and operational adjustments.

A. New electronic booking form for groups

We have launched a new electronic booking form for group reservations, replacing the previous PDF version. You can now submit your inquiries for cable car tickets and lunch bookings online via the following link: <http://www.titlis.ch/bookingformresa>

B. TITLIS Tower Opening June 2026

The TITLIS Tower will open to the public on the following dates:

1 June 2026

- Horizon Deck (Observation deck on top of the TITLIS Tower)
Separate tickets required for individual guests and groups
- Rolex Boutique

3 June 2026

- Joseph's Restaurant and Alpine Lounge
Reservations for the restaurants can be made via reservation@titlis.ch.

C. New Southwest Bypass on Mount TITLIS

Starting 13 April 2026, access to the outdoor glacier will be via the new Southwest Bypass, which is part of the facade of the new peak station. This area offers guests an impressive preview of the future TITLIS experience.

Staff will be on site to assist your tour leaders and guests. Please note that access to facilities for wheelchair users will be limited. Advance notice is required for wheelchairs and pushchairs.

D. TITLIS Rotair Maintenance update

As part of the peak station redesign, the TITLIS Rotair cable car will be re-hung, and essential safety work will be carried out. This ensures that the TITLIS Rotair, like the new building itself, is ready for the future. Mount TITLIS is open 365 days a year starting this season!

The maintenance schedule for the TITLIS Rotair has been updated and will now take place one week later than previously announced, from 17 August 2026 to 11 December 2026. During this period, visitors can reach Mount TITLIS summit via the new TITLIS Connect cable car — a single-track, non-rotating cable car with a cabin capacity of 65 people per ride.

E. Maintenance TITLIS Xpress

During maintenance of the TITLIS Xpress, guests will reach Mount TITLIS via the LINE II route. Please allow extra travel time for the journey to and from Mount TITLIS (estimated travel time: 45 minutes one way).

LINE II Route: Engelberg Valley Station – Gerschnialp (funicular) – Truebsee (Gondola) – Stand (Gondola) – Mount TITLIS (Titlis Rotair)

Dates: 4 May until 8 May 2026

Section Engelberg – Truebsee - Stand under maintenance

Dates: 11 May until 15 May 2026

Section Truebsee – Stand under maintenance

Weekend between these maintenance periods will operate normally with the TITLIS Xpress.
